

**MONITORING OF THE TRANSITION TO CIVIL RULE
ELECTIONS BY NIGERIAN CIVIL SOCIETY
ORGANIZATIONS**

The object and location of the action

The main object of the project was to strengthen the capacity of civil society organizations under the TMG umbrella to monitor the transition to civil rule process and the 1999 elections in Nigeria

The location of the project was Nigeria

Results of the action

- Trained and deployed 10,000 observers during the 1998/99 ELECTIONS
- Produced identification materials for observers
- Produced preliminary report on each strand of the elections
- Produced a final report on the conduct of the elections

Organizations role: lead managers of the project:

The Secretariat worked together with state and zonal coordinators and member organizations in each state implement the project.. TMG member organizations in each state mobilized the pool of observers deployed during the elections.
